

PAA 2002 CALL FOR PAPERS
POPULATION ASSOCIATION OF AMERICA 2002 ANNUAL MEETING
Atlanta, Georgia May 9 - 11, 2002
Deadline for Submission: October 1, 2001

INSTRUCTIONS FOR SUBMITTING A PAPER/ABSTRACT:

1. All presenters, discussants, chairs and session organizers must be members of the Population Association of America. If you are not a member, please visit the website, www.popassoc.org, for a membership application form or contact the PAA office, 301-565-6710.
2. To make the paper submission process more efficient, this year, we **strongly recommend that authors submit their abstracts by completing the Submission Form online at the PAA 2002 Program website, <http://paa2002.princeton.edu>**. All authors should post their abstracts online. In addition, authors must send an extended abstract or the full paper directly to the session organizer either by standard mail or e-mail. The PAA 2002 Program website will allow session organizers to view the titles and authors of submitted abstracts as they are received online. The first author needs to provide the full names, affiliations, addresses, phone numbers, fax numbers and e-mail addresses of **all** co-authors for each submission. Authors may modify their submission online at any time until October 1.
3. Extended abstracts submitted directly to the organizer must be sufficiently detailed to allow the session organizer to judge the merits of the paper. An abstract should include a description of the topic to be studied, the theoretical focus, the data and research methods, and the expected findings.
4. As in the past, all sessions are numbered. If you wish to have your abstract considered by two organizers, you must indicate the session numbers of your first and second choices on the Submission Form. This gives the first designated organizer first right of acceptance. No paper/abstract may be submitted to more than *two* sessions. ***No participant may appear on the program more than twice.***
5. If no session is appropriate for your paper, you may either submit it as a poster to Session 1301 (see Instructions for Submitting a Poster below) or submit the abstract directly to the Program Committee Co-Chair, Marta Tienda, at Session 1302. Papers submitted to specific session organizers or as posters will have a much higher priority for inclusion on the program than those submitted to Session 1302.
6. Authors unable to access the website to complete the Submission Form online should e-mail paa2002@opr.princeton.edu to request a paper Submission Form and alternative instructions.

INSTRUCTIONS FOR SUBMITTING POSTERS:

1. Members are encouraged to submit ideas for posters. All of the above instructions for paper/abstract submissions also apply for poster submissions. Authors who wish to submit their papers for consideration ***only for a poster session*** should submit their abstract to the Program Committee Co-Chair, John Knodel, at Session 1301.
2. Authors who are submitting a paper to one or more regular sessions may also have their paper considered for a poster session if it is not accepted in a regular session. Authors may indicate this preference by checking "yes" in the appropriate area of the online Submission Form. These authors should ***not*** submit their abstract directly to Session 1301 because papers that cannot be accommodated in regular sessions will be forwarded automatically to Program Committee Co-Chair, John Knodel (unless otherwise indicated on the Submission Form).

IMPORTANT DATES	
October 1, 2001	Deadline for submitting papers or abstracts to organizers
November 15, 2001	Session organizers notify authors of accepted papers and forward promising papers to Program Committee Co-Chairs
December 15, 2001	Author notification for abstracts or papers accepted in overflow regular sessions or poster sessions
February 15, 2002	Final date to make online revisions to abstracts of accepted papers
April 13, 2002	Deadline for receipt of completed papers by session chairs and discussants

If you have any further questions please contact paa2002@opr.princeton.edu.
